Report of Academic Advising for first semester 2016/2017

For Computer Science & Information System Programs

كلية علوم الحاسب ونظم المعلومات
COLLEGE OF COMPUTER SCIENCE AND INFORMATION SYSTEMS

Najran University
Computer Science and Information System College

04/05/2017

Academic Advising Unit

Unit Tasks

1. Distribute the list of students at the beginning of each academic year or semester wise to academic advisors so that each advisor have a less than or equal twenty students.
2. Conduct a meeting in the first week of each academic year / semester with new students and transferees to provide them with the necessary information for undergraduate study. Introduce them with their advisors and to explain the responsibilities of advisors and advisees are.
3. Open a file for each student with his advisor.
4. Provide all students' documents (academic transcripts, timetable, and marks) to the advisors to follow-up students.
5. The advisor will follow-up service required by the student, and find out the appropriate response to it.

Advisees Side:

1. Come to the advisors, according to groups advertised in the announcement boards.
2. Fill out some necessary forms to open the file.
3. Bring photo copy of documents (National identify card, university card... etc).
4. Bring passport size photo.
5. Meet with Academic advisor to determine the type of service required.

Academic Advising Requirements:

- Determining the location of each academic advisor to accommodate all students who shall guide them. Determining a specific time or advising office hour to meet with students.
- Preparing a list of students for each academic advisor.
- Preparing a file for each student contains all the necessary papers.
- Preparing a file for each student and prepare the necessary papers for academic advising.
- Give the student opportunity to change his academic advisor.

Responsibilities of Advisors

1. Each advisor must prepare a file for each student which contains a biography of the student during his studies at the university (student's behavior during the study, Student's activities, Student's marks and grades etc.), from where the College authority can make assessment about the students and face their problems and find appropriate solutions.

The most important contents of the file are:

- Keep the student's personal data.
 - Keep the student timetable for the semester.
 - Keep the student academic transcript.
 - Keep student midterms marks.
 - Keep the student's follow up courses.
 - Keep the Drop/Add courses for the students.
 - Keep the attendance and absence sheet for students and their excuses.
 - Keep any decision taken against the student.
 - Keep the record of any student complains.
2. Study the irregular students status to assist them to achieve the desired success, and help them overcome the obstacles and problems they face, and put the students on their plan.
 3. Help students to Add and Drop courses:
 - Distribute the Add/Drop form request to the students wishing to do so.
 - Discussing the reasons for drop/add courses and recognize the justifications.

- Directs the student to delete some courses and adding another courses according to his level
 - Make sure to check the conditions necessary for the - Add/ Drop courses through the Coordinator of Academic Advising Unit.
 - Send the Add/Drop request form to the Coordinator of Academic Advising Unit.
 - Keep a copy of the Add/Drop request form.
4. Receive the medical excuses and the absences excuses, and then determine whether it is acceptable according to the University rules and regulations.
 5. Help student to prepare a timetable which is consistent with their abilities and levels.

Responsibilities and Expectations of Advisees

There are fundamental expectations that all advisors are entitled to have their advisees: prepare for an academic advising appointment by bring the following:

- Schedule of classes
- Transcript
- Course syllabus
- List of questions
- Excuses

Student's responsibility

1. Learn and understand the program requirements that effect. Students should review the Student Guide and refer to it often for answering questions. The Student Guide is available with the advisors.
2. Prepare for each visit by making a list of issues they want to discuss.

- 3.** Make advising appointments and keep them.
- 4.** Seek advising assistance in a timely manner.
- 5.** Be prepared for advising appointments.
- 6.** Become knowledgeable about university, program requirements, policies and procedures. (i.e. drop / add dates, registration dates and the academic calendar).
- 7.** Monitor academic status and completion of degree requirements.
- 8.** Keep advisor informed of any changes that might impact or interfere with satisfactory academic progress.
- 9.** Be open to the new possibilities that an advisor may suggest.
- 10.** Take responsibility for actions and educational decisions.
- 11.** Know how to contact an academic advisor and understand the advisor's role as a resource.
- 12.** Understand the importance of class attendance, reading the syllabus, and interacting with faculty members.
- 13.** Provide accurate and truthful information when being advised.

Academic Advising is an opportunity to exchange information designed to help students reach their educational and career goals.

Advising is a shared responsibility between an adviser and the student. Ultimately, it is the responsibility of the student to make decisions about his/her life goals by creating a plan to reach those goals.

Academic advisers can assist in this process by helping the student understand options, determine resources and, when necessary, identify alternatives.

Guidelines for Make-up Exam

- Any student who missed taking the midterm_1 or midterm_2 during the regular class hours, or student who wants to repeat midterm_1 or midterm_2 can have this opportunity to take a makeup exam.
- Makeup exam have to be comprehensive for all chapters were taken during the regular class hours.
- Student should be gained the best marks over the three exams (Midterm1, Midterm2, Makeup exam). For example if student got in midterm 1 (11) marks, midterm2 (8)marks, and got in makeup exam (12) marks; this student in this example will get 11 + 12.
- The instructor should submit the makeup exam to the course coordinator for review and approve the comprehensive of the exam.
- an opportunity to take a makeup final examination the following term (and have the course grade changed as warranted by the results of the test), or (2) be given the final examination during the conflict period or at an alternative time during the week of final examinations, or (3) be given the final examination at the time schedule for the course. A student who fails to notify the instructor of the conflict before the Monday of the week of final examinations shall, at the discretion of the instructor: (1) receive a score of zero on the final examination, or (2) be given the final examination during the conflict period or at an alternative time during the week of final examinations, or (3) be given the final examination at the time scheduled for the course.

وعليكم السلام

المعاملة قيد الانجاز....لم يُبِت فيها بشيء حتى الان رغم أننا موعودون بخير
موفقين
د. غسان
