

## Fekri Olayah CV

### ■ Personal Information

---

**Name:** FIKRI Abdul Wedood Mohammed Ahmed

**Date of Birth:** 15 /07/ 1978

**Nationality:** Yemen

**Marital Status:** Married

**Address:** Najran, Saudi Arabia

**Mobile phone:** 00966540343515

**Email:** [Dr.Fekry\\_Olayah@yahoo.com](mailto:Dr.Fekry_Olayah@yahoo.com)

### ■ Personal Profile

---

- Associate Professor( December 2020) in Information systems with More than 10 years teaching experience at university level in different environments (Jordan, Saudi Arabia) gives me the ability to contribute in the academic work using the Outcome Based Education (OBE) paradigm
- More than two years of managerial experience as a head of the computer skills department property year deanship- Najran University
- I Contributed in improvement the new academic plan for the IS department
- I participated as a member of many committees and councils (Exam committee, Quality committees, assessment committees, courses specification committees, Remittances and Equations Committee, Plans and Curricula Committee, and departments academic plan committees).
- In the research area, I published several papers in international journals and conference. Moreover, my current research interest is Cloud Computing, Data Mining, Big Data, ERP System, machine learning, Natural Language Process, Social Media, Internet of thing, and E-Business Approaches and Information systems.

### ■ Current Position

---

**Associate Professor in Information System Department , College of Computer Sciences and Information Systems, Najran University, Kingdom of Saudi Arabia (December 2020).**

---

## ■ Qualification

Degree	Year	University	Country
Ph.D. in Information Systems	2010	Banking and Financial Science	Jordan
M.Sc. in Computer Information Systems	2005	Arab Academy	Jordan
B.Sc. in Computer Science	2000	Mustansiriyah	Iraq

## ■ Academic Experience

Year(s)	Position	University	Country	Nature of work
2010/2011	Assistant Professor, College of Business Administration-MIS Department	Isra University	Jordan-Amman	Teaching-Full Time
2011/ 2012	Trainer in Education Expertise Company- Deanship of Preparatory year	Najran University	Saudi-Najran	Trainer and Teaching
2012/2014	Head of Computer Skills , Deanship of Preparatory year	Najran University	Saudi-Najran	Teaching-Full Time
2014/2020	Assistant Professor, College of Computer Science and Information Systems-IS Department	Najran University.	Saudi_ Najran	Teaching-Full Time
December 2020	Associate Professor College of Computer Science and Information Systems-IS	Najran University.	Saudi_ Najran	Teaching-Full Time

### ■ (2010- 2011).Assistant Professor, College of Business Administration- Management Information System Department, Isra University.

- Taught several undergraduate courses.
- Member of Information System Department Council.
- Member of the Examination Committee.
- Participated in improving the curriculum of Management Information Systems department.
- Supervised students graduate projects.

### ■ (2011- 2012). Trainer in Education Expertise Company- Deanship of Preparatory year- University najran .

- Training and Participated in preparing new development plan for the Preparatory year Courses
- Taught courses.

▪ **(2012- 2014).Assistant Professor: University najran , Deanship of Preparatory year, Computer Skills Department.**

---

- Head of Computer Skills Department
- Taught several undergraduate courses in Computer Information System-Part Time.
- Member of Deanship of Preparatory year Council.
- Leader of the team development Courses of preparatory year.
- Member of the Examination Committee.
- Member of Quality Committee.

▪ **(2014- 2020).Assistant Professor: University najran, College of Computer Science and Information Systems-Computer Information System Department.**

---

▪ **(2020).Associate Professor: University najran, College of Computer Science and Information Systems-Computer Information System Department.**

---

- Taught several undergraduate courses in Computer Information System.
- Member of computer information system Council.
- Chairman of the Committee for Plans and Curricula Unit.
- Chairman of the Remittances and Equations Committee.
- Member of the program accreditation committee, department of Information Systems.
- Member of the General Examinations Committee in College
- Member of many committees for quality and academic accreditation in College
- 

▪ **Training and Quality Workshops**

---

- Attended a training course in programs specification and annual reports preparation (4-5 / 7/14 34), Skills Development Unit, Deanship of Development and Quality.
- 
- Attended a training course in Quality standards in infrastructure support (20-21 / 5/1434 AH), Skills Development Unit, Deanship of Development and Quality.
- 
- Attended a training course in Collection of evidence and key performance indicators (KPIs) and benchmarks (25-26 / 5/1434), Skills Development Unit, Deanship of Development and Quality.
- Attended a training course in Designing programs in the National Qualifications Framework ( 10-11 / 6 / 1434). Skills Development Unit, Deanship of Development and Quality
- Attended a training course in Learning outcomes of programs, courses and methods of measurement (8-9 / 2 / 1435). Skills Development Unit, Deanship of Development and Quality.
- 
- Attended a training course in learning outcomes Measuring (8-9 / 5 / 1435). Skills Development

nt Unit, Deanship of Development and Quality.

- Attended a training course in Performance indicators and benchmarks (17-18 / 5 / 1435) Skills Development Unit, Deanship of Development and Quality.
- Attended a training course in Courses reports and programs in the common mistakes (1-2 / 6/1 440) Skills Development Unit, Deanship of Development and Quality.
- Attended a training course in Performance measurement indicators and evaluation of institutional and programs. Skills Development Unit, Deanship of Development and Quality.
- Attended a training course in course specification according to the standards of NCAAA, Skills Development Unit, Deanship of Development and Quality.

## ▪ Professional Activities

---

- Member of the Program Accreditation Committee formed by the Department of Information Systems
- Member of the assessment committee, formed by the quality unit.
- Member of computer information system Council.
- Chairman of the Committee for Plans and Curricula Unit.
- Chairman of the Remittances and Equations Committee in the college

## ▪ Teaching Courses

---

### Undergraduate Courses

---

- |   |                                  |
|---|----------------------------------|
| - Data mining                                       | - Operating system               |
| - E-Business  | - Management Information Systems |
| - Information System Engineering                    | - Knowledge management           |
| - E-Marketing                                       | - IS Systems Analysis and Design |
| - Software Engineering                              | - IS Project Management          |
| - Information System Ethics                         | - UML                            |
| - Fundamental Database                              | - Geographic Information System  |
| - Decision support system                           |                                  |
| - Information Systems fundamental                   |                                  |
| - Administration of Information Technology networks |                                  |
- 

## ▪ Current Research

---

**Cloud Computing, Big Data, Data Mining, and Internet of things, Social Media, Natural Language Process, Machine learning, Information Retrieval, E-Business and Information System in general.**

---
